Dear Parents/Carers

Welcome Back!

Welcome back to what promises to be another exciting and eventful year at St Elizabeth's. We hope that you all enjoyed your summer break. It was lovely to see the children return to school looking so smart this morning, and it was great to see so many smiling faces as the children entered the school. A warm welcome to the many children who have joined our school. We are sure that they will thrive here with us. A warm welcome also to Mrs Farrell, Mrs Stocksborough and Miss Jones who have taken up their new roles in the school. Please feel free to contact the school with any questions or concerns that you may have.

School Uniform

Please ensure that all items of school uniform are clearly labelled, as we cannot return lost items which have no name on them. Please also ensure that children do not wear expensive items of clothing for school, as occasionally accidents will happen, and we cannot be held responsible if items are lost or damaged.

School Meals

As you are aware, all infant children are eligible for a free school meal. To enable us to order the correct amount of hot lunches, we need to know how many children will be taking a hot meal. We are therefore asking that you do not change your meal choice over the half term. Any Year 2 children who have moved into Year 3 and do not qualify for free school meals will now have to pay. The cost is £2.10 per day, which works out as £10.50 per week. This is payable in advance on the Friday before. If you are unsure if you qualify for free school meals, please contact the school office who will direct you accordingly.

Lining up on the yard

Can we please ask that all parents remain behind the blue line at the beginning and end of the school day. This is for the safety of the children as the area can become very crowded. Thank you.

Attendance and Punctuality

Can we please remind you that the school day starts at 8.55am. Children need to be on the school yard before this time, ready to enter the building. If a child is absent for any reason, please contact the school office that morning. Thank you.

Nursery Wrap around Costs

Please note that the cost for an extra session of Nursery provision will increase to £12 for each session. This is still extremely good value when comparing to other providers.
