Dear Parents/Carers

Welcome Back

A warm welcome back after the half term holiday. We hope that everyone had an enjoyable break in the sunshine and we now look forward to the final seven and a half weeks of the school year. This is always a busy time, so please keep an eye out for events which will be posted on the website and will also be on the newsletters.

Attendance

Well done to classes 1SF and 4A for their winning attendance scores last week. We hope that they enjoy their treat off Mrs Elder!

Y6 Denbigh Trip

Y6 will be setting off for their annual trip to North Wales next Thursday morning. All arrangements are now in place and you should be aware of all the final details. However, if you have any questions or queries, please contact us to discuss them. We are sure that the children will have a fantastic time.

Lates

We would like to ask that Parents/Carers try to get their children in on time in the mornings as we have many children entering after our official time of 8.55am. From September, we have had **1,931** late marks, with some children arriving 'late' at 11.30am. We accept that things can happen to delay arrival in the mornings, but these should be one-offs, and not a regular occurrence. Children arriving late disrupts both their education and the education of others in the class. Thank you for your understanding.

Eucharistic Adoration

Father has asked us to inform Parents/Carers that this will take place in St Elizabeth's Church every Friday from 6pm—8pm. This is in preparation for the Eucharistic Congress which takes place in Liverpool from 6th-8th of September.

World Cup Celebration

Next Wednesday will see our children take part in a World Cup celebration event, learning all about the countries that are taking part in the event. We are sure that they will have a great time and we thank Miss Kneale for organising the day.

Car Park

Please can we ask that Parents/Carers DO Not use the school car park for dropping off and picking up. We are a large school and have many deliveries each day. If the car park is blocked, it can create a health and safety hazard. Thank you.
