Collective Worship

What is Collective Worship?

Worship is concerned with reverence or veneration paid to a divine being or power (Religious Education and Collective Worship Circular 1/94 Department for Education).

Worship is concerned with the honour and glory of God.

Prayer is the means by which we are drawn into a deeper and more loving relationship with God and with all of God's creation.

The Aims of Collective Worship

The daily act of worship aims to provide opportunity for all pupils and staff:

- To contemplate something of the mystery of God and to give honour, praise and thanks to Him
- To reflect on spiritual and moral issues
- To explore their own beliefs
- To respond to and celebrate life
- To experience a sense of belonging and develop a community spirit
- To develop a common ethos and shared value

- To develop the skills of: reverence, contemplation, reflection, interpretation, empathy, meditation
- To enrich religious experience
- To grow in liturgical understanding
- To reinforce prayers which are part of Catholic tradition
- To reinforce positive attitudes
- To develop a sense of awe, wonder and inspiration in the person of Christ.

Collective Worship at St Elizabeth's

The Worship, which takes place at St Elizabeth's, is Collective Worship. It is central to Catholic Education and forms an essential part of the school's overall provision for prayer and worship.

This takes into account the religious and educational needs of all who share in it:

- Those who form part of the worshipping community in Church.
- Those for whom school may be their first and only experience of Church.
- Those from other Christian traditions.
- Those from other faith backgrounds.

Collective Worship is an educational activity or experience:

- To which all can contribute
- From which all can gain.

How does Collective Worship take place?

At St Elizabeth's we realise that every child must have an opportunity to take part in Collective Worship every day.

We aim to provide every child with a variety of experiences which:

- Can be led by pupils, staff or visitors.
- Use a balance of quiet reflection, silence, prayers, responses, music, songs, dance, drama, slides, video/DVD excerpts or a short address.
- Ensure the theme, focus, delivery, length and resources are appropriate to the interests, age, range, backgrounds and ability of pupils.
- Set an appropriate atmosphere with a sense of order and occasion, including entry and exit.
- Can be offered for a class, year group, a key stage or whole school.
- Provide a focus using artefacts, candles, symbols and lighting.
- Respect the freedom of pupils and staff in the invitation to prayer and worship.
- Ensure the possibility of conscious, active participation of all present.

Collective Worship at St Elizabeth's follows the following liturgical structure:

Gather - how we come together, the setting, the environment.

Listen - the Word of God is proclaimed

Respond - the response to the Word leads into a time of prayerful reflection which may be accompanied by a symbolic action

Go Forth - giving the children something to hold on to from the experience of the liturgy that they can take into their daily lives

At St Elizabeth's Collective Worship is planned with reference to the Church's seasons, significant dates and the curriculum. It is planned through consultation with appropriate parties and reference to the school's aims and policies. It is planned with the flexibility to respond to changing situations within the school and wider community.

Collective Worship is evaluated regularly through observation, monitoring of planning and self-evaluation.

At St Elizabeth's we record Collective Worship through displays, prayers, photographs, samples of pupils' work and reflections. Themes, leaders, pupil grouping and resources are recorded on a daily/weekly planner.
